Double & Triple Fold

When opening your Pop-Up, please ensure you have enough set up space surrounding you. The Pop-Up will briskly release to its full form. Once unfolded and placed in the designated area, please use ground nails as additional security.

**Double**

1. **Step 1**
   Remove ground stakes from installed Pop-Up.

2. **Step 2**
   Bring the two panels together.

3. **Step 3**
   Keeping a firm grip in the middle of the frame with one hand and holding the top with the other, proceed to twist the Pop-Up.

4. **Step 4**
   Applying pressure, continue to twist the Pop-Up while pressing down.

5. **Step 5**
   Maintaining the pressure, push the two panels of the Pop-Up to the ground.

6. **Step 6**
   Once folded, tightly hold the two panels together and quickly place in the carrying bag.

7. **Step 7**
   Zip and complete.

**Triple**

1. **Step 1**
   Remove ground stakes from installed Pop-Up and stand upright.

2. **Step 2**
   Bring the two panels together, folding horizontally.

3. **Step 3**
   Keeping a firm grip in the middle of the frame with both hands proceed to pull the two sides together while pressing the top of the Pop-Up down.

4. **Step 4**
   Keeping a firm grip, twist the top of the upper panel over to the middle and hold the outer section underneath the middle of the upper panel.

5. **Step 5**
   Adjust the three panels until they are even and holding tight quickly place in the carrying bag.

6. **Step 6**
   Zip and complete.
